

## Leading Practitioner in Mathematics

**Salary:** £46,658 to £50,183

**Required for:** September 2019

**Closing date for applications:** 7 May 2019

At Great Barr Academy, using high quality, innovative, up to date teaching and learning methodologies has always been very high on our agenda. We regularly invest in additional training for the whole teaching staff on new pedagogical practice, all new teachers are TEEP trained in their first few months and all teachers are members of Teaching & Learning Communities through which they foster and share good practice and support each other's development.

Our team of Leading Practitioners is key to ensuring that practice across the school is consistent and strong. Leading Practitioners will lead staff development sessions, coach staff whose practice requires improvement and will lead on specific areas such as the development of numeracy and literacy across the school.

The Director of Maths is a former Leading Practitioner in Maths who is an expert at supporting new teachers in developing their classroom practice. As an expert in the craft of teaching Maths, you will support the Director of Maths in developing strong practice across the team which promotes rapid progress and improved outcomes.

### **The Candidate:**

You will be an experienced Maths teacher with a strong, evidenced track record of teaching consistently 'good' and 'outstanding' lessons and making a significant positive impact on pupil progress and outcomes.

You will have experience of coaching staff and supporting or leading initiatives aimed at raising standards of teaching and learning. With a love of the craft of teaching, you will be able to motivate and inspire others to develop their own practice.
