

Maths Teacher

Salary: £23,719 to £39,406

Required for: September 2019 (or Easter 2019, if possible)

Closing date for applications: Monday 21 January 2019

Maths at Great Barr:

Great Barr Academy provides the perfect environment for an ambitious, driven Maths teacher to refine their practice and to gain in-depth knowledge and experience of strategies for improving progress.

The Director of Maths is a former Leading Practitioner in Maths who is an expert at supporting new teachers in developing their classroom practice. We aim to ensure that all of our teachers have the skills to confidently lead innovative, focused lessons which promote high levels of engagement and rapid progress.

We recognise quality teaching and hard work; a recent NQT gained his first promotion after just one year in the school and our Assistant Director of Maths also started her career as an NQT at Great Barr.

You will be joining a highly motivated team at an exciting time for our school.

The Candidate:

We invite applications from either established teachers with a track record of teaching consistently 'good' and 'outstanding' lessons and securing strong pupil outcomes who are looking to continue to develop their experience in a large school, or from potential NQTs who are making good progress in their training. We have an NQT induction programme which has been rated as one of the best in the city.

How to Apply:

For informal discussions, please contact Steven Forster, HR Manager, on 0121 366 7825 or email at s.forster@greatbarr.bham.sch.uk.
