Dear Potential Colleague

Teacher of Spanish with French

Thank you for your interest in joining The Westleigh School and hopefully you will find all the information about the school, job vacancy and application process that you need to make a positive decision about this role.

This is an exciting and unique opportunity to work in a forward thinking school and to make a contribution towards shaping its future and build on its successes.

We are looking to appoint a talented professional to join our school community, supporting us in creating and developing the teaching of Spanish. The successful applicant will join an enthusiastic, supportive and caring team. We work very closely together and all members of the faculty assume responsibilities of some type to further their professional development and further the progress of students.

In Languages, all upper band KS3 students are taught 2 hours of French in Years 7 and 8. Lower band students study French 1 lesson per week. In Y9 to Y11, students study 3 hours per week.

In Y7 and Y8 students are placed into sets according to ability. The school follows its own scheme of work in KS3 and the New AQA scheme at KS4.

If you believe that you can help us on our journey to becoming an outstanding school, whilst inspiring a love of Languages amongst our students, then I look forward to receiving your application before the closing date of **Tuesday 26 March 2019** (before 12.00noon).

For additional information about the school, please visit our website or alternatively, if you wish to see the school in action, please contact my PA, Mrs P Lennon at the school to arrange a visit.

Yours faithfully

C Bramwell
Headteacher
