For a fabulous Teacher of computing with a passion to inspire our students in their subject. Our current computing offer is at a developmental stage and we seek a brilliant enthusiast to drive development of this curriculum.

Unsworth Academy is a thriving, oversubscribed, co-educational and non- selective Bury high school. The school is on an incredibly exciting journey of school improvement and when last inspected in November 2019 was judged to be Good in all areas. We are now currently halfway through year one of our three year “Good to Great” journey. The Academy Principal, Senior Leadership Team, Academy Councillors and staff are unreservedly committed to securing outstanding in all areas of school life and the best possible outcomes and life chances for all our learners. We are seeking an exceptional candidate to join our fantastic team and make a significant contribution to ensure our offer to all our young people is world class. We are seeking someone with drive, resilience, and determination; a creative thinker and a lifelong learner. If this ambition appeals to you, we would be delighted to receive your application.

Provision of computing sits within our wider Technologies department. Our Head of Technologies who was one of our two computing teachers is leaving in September to a promoted post. They have done an excellent job of bringing together Food Tech, Design Technology, ICT and Computing at Key Stage 3. Our project-based rotations are hugely popular with students and parents. Over recent years many schools have rationalised technology offers but that has not been the case at Unsworth Academy. The Department is thriving, and the post is a fabulous opportunity for a teacher of computing, who may or may not have aspirations to be a Head of Department.
